

# 3rd Grade February Puzzlers

## Research It!! Black History Month

Use this website to answer the following questions about Famous Firsts by African Americans. <http://www.factmonster.com/spot/bhm1.html>

WHO WAS THE FIRST AFRICAN AMERICAN...	NAME	YEAR
Elected governor?		
Licensed pilot?		
Female billionaire?		
Major League Baseball Player?		
Academy Award Winner (Oscar)?		
Astronaut?		
U.S. President?		
Star of a network TV show?		
U.S. Secretary of State?		

## PROBLEM SOLVING:

The Wilson Family has 3 kids and each of them has been saving money in their piggy banks. Each child has saved a different amount (\$3, \$6 and \$10.) Using the clues below figure out which piggy bank belongs to who and how much they saved.

1. Piggy-Bank A belongs to Kelly and her piggy-bank contains twice as much money as the one next to it.

2. Paul has saved more money than his brother Scott.

	 A	 B	 C
Name			
Amount			

Return this optional enrichment sheet to Mrs. Connell when you complete it!

## Website of the Month

### Presidents USA

Visit this website <http://www.presidentsusa.net>  
You can find just about everything you want to know about U.S. Presidents here. Use the site to answer the questions below.

What was George Washington's salary in 1789? What is the president's salary now?	
How many presidents were born in Michigan?	
Who were Abraham Lincoln's Vice-Presidents? (2)	
What president had dogs named Rex and Lucky?	
What president is on the \$50 bill?	
How old was George Washington when he became president?	
Two U.S. Presidents died on the exact same day. Who were they?	

### Math Problem of the Month

Bet you I know the answer before you even start!

1. Think of any number less than 10.
2. Double that number.
3. Add 6.
4. Divide your answer by 2 (in half.)
5. Subtract the number you first thought of in number 1.

I already know your answer is 3!

Try this one on your parents!

### Do You Sudoku?

	2			4	
4					2
		3	6		
		2	1		
6					3
	3			6
